## TIER 1 HOCKEY FEDERATION DIVISION STRUCTURE AND PLAYOFF ELIGIBILITY

**Intent:** The goal of the Tier 1 Hockey Federation is to create competitive balance for all of our teams while giving as many teams as possible a chance to play for a championship at the end of the season.

### What you should expect:

1. At the beginning of the season, all teams will be in 1 division for your respective level
2. While there will be no subdivisions (eg. Premier & Elite), teams will be scheduled against teams of a similar level with the intent of making as many games as competitive as possible.
3. At the beginning of the season, standings will be sorted by number of games played.
4. In November, we will begin sorting the rankings as determined by KRACH ratings.
  - a. Rankings will be updated monthly as determined by KRACH.
5. In December, the division may be divided into subdivisions based on KRACH ratings.
  - a. Playoff qualification will be determined by each team's KRACH rating.
  - b. If there are 9 or less teams, a minimum of 4 teams will qualify for for the Playoffs (6 if 10 or more teams)

### KRACH

**What is it?** - KRACH is a team's win/loss ratio multiplied by strength of schedule

### Why do we use KRACH rather than points?:

1. THF teams play an unbalanced schedule
    - a. Teams do not play all the teams in their respective division
    - b. Teams that play a more difficult schedule would be punished in the standings based on points
  2. The THF offers 2 season structures, full season and partial season.
    - a. Teams in an age division/classification will not play an equal number of games.
    - b. Using KRACH rather than points earned will balance this so teams playing fewer games are fairly measured within their division
- o Teams will change their subdivision until the final regular season game is played
